

What is the Zucchini 600?

It is a competition to see who can build the fastest, most creative and most nutritious cars out of zucchini!

How do I participate?

Simply build a car out of zucchini that is no more than 10 inches wide or 12 inches long. Just make sure not to use any motors, explosives or fireworks!

Where is the Zucchini 600?

The Zucchini 600 will be in the Kids Zone at Jiggy with the Piggy on the Research Campus.

NO COST TO PARTICIPATE!

Age Groups:

8 & Under

9-14

Awards:

Fastest Car

Overall Creativity

Most Nutritious

For more information please call Kannapolis Parks & Recreation at 704-920-4343.

Zucchini 600 Rules

- Car must be no more than 10 inches wide and 12 inches long.
- The first car across the finish line is the winner of the race. The Race official has final say over all races.
- Cars must cross the finish line in one piece to be declared the winner of the race and advance to the next round.
- There must be NO gas, battery, electric or wind-up powered motors of any kind attached to the car. Fireworks and explosives are also prohibited.
- There will be 2 age groups (8 & under and 9-14).
- There will be 3 awards given for each age group: fastest car, most creative and most nutritious.
- The award for the fastest car will be given to the individual who is the winner of the final race.
- The most creative and most nutritious awards will be decided based on the personal opinion of the judges.
